

mix a perfect combination of wellbeing and functionality

## DESIGN

Plenty of versatility in terms of installation; it can be used with rectangular bath tubs of the following sizes: 160x70, 170x70, 170x75, 180x80.

## HEALTH

Easy access and use thanks to the wide opening of the two glass doors.

## PERFORMANCE

The Crystal Clear treatment preserves the transparency of the glass due to the waterproof, anti-scale finish, making it easier to keep clean.

## PLEASURE

Enjoying the comfort and benefits of Mix is easy thanks to its faucets perfectly integrated in the shower column, without any interference with masonry walls.

**The pleasure of a bath with the practicality  
of a shower.**

Introducing Mix, the versatile and elegant solution that makes it possible to transform a bath into the perfect combination of wellbeing. The ideal way to find the right balance between a moment devoted to pampering yourself and the benefits of wellness treatments.

**Personalised use according to specific needs.**

Mix can be used with all Energy bath tubs with or without hydromassage, Moove bath tubs with or without blowers, and Sharp bath tubs 70 and 75 with hydromassage.

**A perfect combination of functionality and design.**

The Mix system consists of bath screen made of 5mm transparent glass with Crystal Clear by Jacuzzi® treatment, a double pivoting door, with magnetic lock and aluminum profiles. The other load-bearing element of the system is the shower column which comes with single lever mixer with diverter, fill spout and 3-function hand-held shower with sliding bar.
